RE: 60 Plus Senior Coalition supports HR 2735

Dear Representatives Barton and Towns:

On behalf of the 60 Plus Association's 4.5 million citizen lobbyists, we are writing to inform you of strong support for HR 2735, The Motor Vehicle Owners' Right to Repair Act. As you are aware, seniors of all ages have contributed to our nation in time, money and defending its right to continue a democracy that allows freedom of choice of how, where and by whom we choose to spend our hard-earned dollars and by defending America's free-market system.

Many of us fought in wars to protect our way of life, not to have it subtly and piece-by-piece removed from us. The Motor Vehicle Owners' Right to Repair epitomizes the right of individuals of all backgrounds to choose how to live their lives and spend their money on their own property.

Many, if not most, seniors are on fixed or low incomes. Our vehicles are our life-lines to our families, communities, houses of worship, and for easy, affordable transportation to take care of our medical needs. HR 2735 ensures quality repairs when safety is of paramount importance.

The ability to choose where, how and by whom to have vehicles serviced, repaired and whose replacement parts we wish to purchase allows us to continue the kind of quality life that we have known.

60 Plus urges your active support in passing this legislation and would be pleased to assist in this important legislation.

Sincerely,

James L. Martin
President

60 Plus is a 10-year-old nonpartisan group with a less government, less taxes approach to seniors' issues. 60 Plus has become one of the fastest growing seniors groups in the country, doubling then tripling its support in the past year. 60 Plus can now call on support from nearly 4.5 million citizen lobbyists to print and mail millions of letters and petitions. 60 Plus publishes a newsletter, SENIOR VOICE, and a SCORECARD, bestowing a GUARDIAN OF SENIORS' RIGHTS award on lawmakers in both parties who vote "pro-senior." 60 Plus has been called "an increasingly influential lobbying group for the elderly..."
